Parking surface – the parking surface is very flat and is tarmacked. There are no ramps or steps to negotiate.

Our Car Parks and Britannia Road close 1 hour before kick-off and are also closed up to 20 minutes after the full-time whistle. In some cases the car park may be closed earlier should a large number of supporters start to arrive earlier and it is deemed a risk for the car park to remain open.

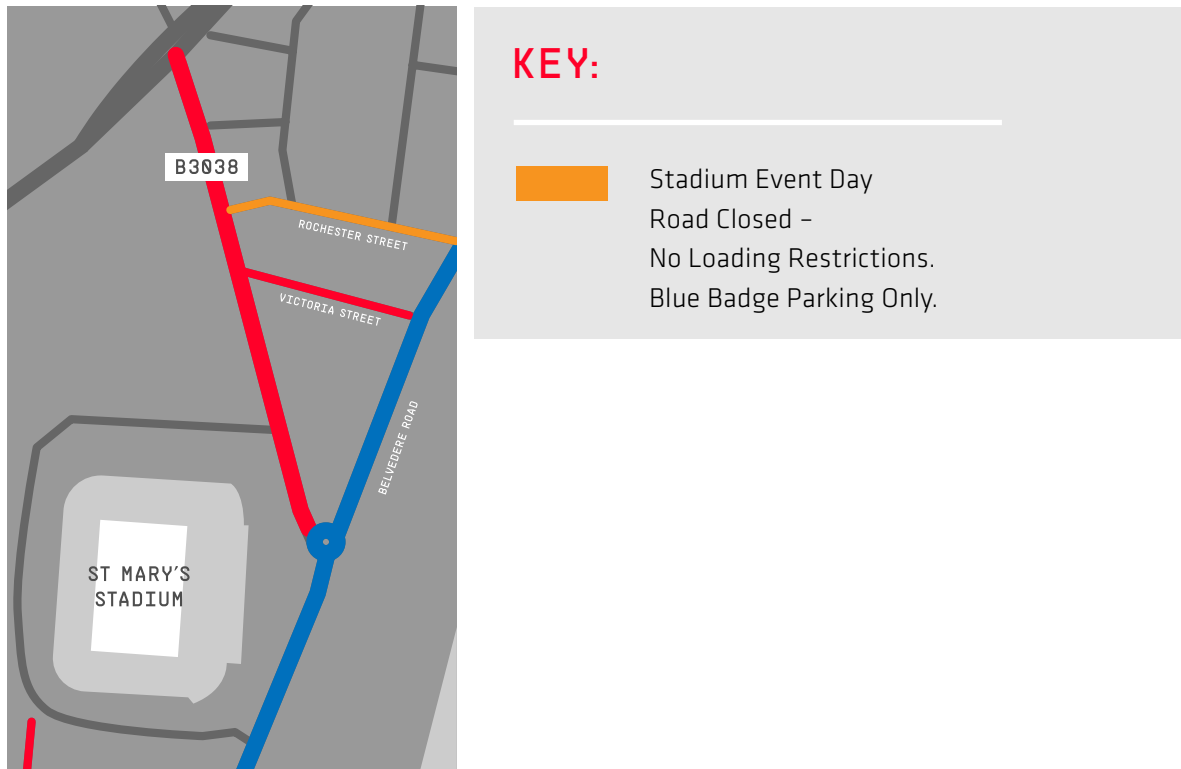

We would strongly advise against parking on double yellow lines in the surrounding areas of the stadium due to council restrictions. If you are found to be parking within these areas, your vehicle is at risk of being towed. Please view the map below of the roads that are included in these restrictions.

TICKET OFFICE

Access to the Ticket Office is step free, with no gradient.

There are three Ticket Offices, with two home Ticket Offices located on the corner of Itchen North. Ticket Office 3 is located in the Northam Stand for away fans, parallel to the North Car Park.

On non-matchdays, Ticket Office 1 is in use for purchases, ticket collection and enquiries. Whereas on matchdays, this is available for enquiries and ticket purchases only.

Ticket Office 2 is in use for ticket collections on matchdays only.

Ticket Office 3 is for away fans only on a matchday.

Ticket Office 1 has a lowered counter and all three Ticket Offices have hearing loops fitted.

All Ticket Offices are clearly signposted.

Stewards and Happy to Help staff are on hand around the stadium on a matchday to help you locate the Ticket Office. If you need any assistance in the queue, they are happy to help.

The Ticket Offices are located outside, so are suitable for all weather conditions and at any time of day.

TICKET PURCHASES

To purchase season or match tickets at the disabled adult, over 65, 18-25, or under 18 rates and qualify for a free personal assistant ticket, you must be in receipt of one of the following benefits:

- Middle or Higher Rate of Disability Living Allowance DLA: Middle or Higher Rate Care Component or Higher Rate Mobility Component
- Attendance Allowance (AA)
- War Disabled Pension
- Certificate of Visual Impairment (CVI 2003) PIP (Personal Independence Payment) – Standard or Enhanced rate Mobility component, or Enhanced rate Daily Living component

We ask that proof of documentation is provided to our Disability Liaison Officer on an annual basis – you can provide this in person at the Ticket Office or by scanning or photographing the documentation and emailing it to accessibility@saintsfc.co.uk

Any questions relating to the criteria, please contact our **Disability Liaison Officer** on 02380 711 980 or accessibility@saintsfc.co.uk

If you are in receipt of one of these benefits and have never purchased a ticket before, or have recently received one of these benefits, you are required to fill in our Access Requirement Form via <https://survey.saintsfc.co.uk/s3/Ticket-Access-Requirement-Form>. Our Disability Liaison Officer will then assess this on a case by case basis and will get in touch.

As all supporters under the age of 14 require a parent or guardian over the age of 18, disabled supporters under the age of 14 will not be provided with a free personal assistant.

In all areas of the stadium, for both wheelchair users and ambulant disabled supporters, the personal assistant seat is next to the disabled supporter – in some areas, you may be located behind. We have allocated ‘Amenity Easy Access Seating’ which are seats set aside for ambulant disabled supporters that may benefit from an aisle seat, extra leg room, fewer steps to negotiate and so on.

To discuss your specific needs please contact our **Disability Liaison Officer** on **02380 711 980** or the Ticket Office on **02381 780 780**.

PERSONAL ASSISTANTS

Disabled supporters that meet the above criteria may also qualify for a free personal assistant ticket dependant on their needs, age, and our review of the Access Requirement Form.

Whilst our staff work hard to ensure a safe and pleasant matchday experience for all of our disabled supporters, the personal assistant is responsible for the needs of the disabled supporter and should accompany them on every visit to the stadium.

A personal assistant cannot gain entry to the stadium without accompanying the disabled supporter – any personal assistant wishing to attend the match without the disabled supporter must upgrade their ticket at the Ticket Office prior to the match, paying the relevant price for that ticket.

As a personal assistant, it is important that you adhere to our ground regulations and that you behave appropriately. If it is deemed that any personal assistant has broken any of our ground regulations, we have the right to tell the disabled supporter that they must change who their personal assistant is.

We are keen to ensure that the disabled supporter is not put at a disadvantage, should their personal assistant break any of our ground regulations.

If you are a personal assistant and you have any questions regarding your visit, or think you may need additional assistance in caring for a disabled supporter on matchday, please do not hesitate to contact our **Disability Liaison Officer** on **02380 711 980** or accessibility@saintsfc.co.uk.

You can contact our Ticket Office on 02381 780 780 to make a purchase, upgrade your ticket or to make an enquiry. Alternatively, their email address is tickets@saintsfc.co.uk.
